- Do you have any questions, let me know! I can't promise to know all your answers, but I will do my best. **(shows humility)**

- Will catch you soon. Again, let me know if I can help you in any way.

- What do you think of GOD? Or in your opinion how does one relate to GOD?

- Do you have a spiritual life?
- Do you think we are spiritual beings?

4. ILLUMINATE

...Reverse the burden of proof; and uncovers barriers! (Painter) (Archaeologist)

(i) Denies or Doubts GOD's existence

- I am curious to know so why do you think GOD may not exist or does not exist?
- Do you think there is strong evidence that GOD does not exist? (Be prepared to prove why you think GOD exists)
- What if GOD does exist? Do you think there might be eternal consequences?
- Would you be willing to open your heart to explore what might be the truth – that there is a GOD who exists?
- Do you think people deny GOD...because it's a 'control' thing....they don't want to listen or be subject to someone above them? OR Do you think people deny GOD because they cannot see HIM?
- Why do you think we cannot see GOD?
- Do you think we believe things that we cannot see? Like Cancer cells? Like UV rays?

(ii) Defines GOD in a set belief

- Can you clarify what you mean? So what does it mean to be a Buddhist?
- Do you think that your GOD is personal, and has a plan for you and want to be connected with you?
- Do you know that he is the true living GOD? Are you 100% sure?
- Do you think there is some barrier between us and GOD?
- How is there reconciliation with GOD...or a connection made with GOD in your belief?

- Do you think we overestimate our righteousness and underestimate GOD's holiness? (Depravity of man and the Holiness of GOD)
- Has anyone ever explained to you the difference between Christianity and all other religions? Do versus Done
- Do you know why it is important for Christians that Jesus actually conquered death?
- "Now if Jesus Christ is the only person who has ever conquered death, shouldn't we listen to what he has to say?"

(iii) Determines GOD in relative terms

- Do you think if something is true it cannot be contradicted? For example if $2 + 3 = 5$ and so $2 + 4$ cannot = 5 as well? It must be definite, certain and exclusive.
- But do you think when it comes to religion ...we make exceptions?
- Do you think if you accept all beliefs—you actually accept nothing?
- Do you think truth can be relative? There needs to be some definite and immovable facts!
- Did you know that Buddha claimed to point to the way, and Muhammad claimed to be a prophet of God, but Jesus Christ is the only major religious leader who claimed to be God, who lived a sinless life, fulfilled prophecy, and then died on the cross and rose from the dead?
- How do you think there can be many roads to Heaven? Do you think St George's Street will take you home- only if you live in the city-right?
- If you knew someone was burning in a house and you could save their life...would you help that person- even if that person does not want help.
- Do you feel there are barriers of some type separating you from GOD?

Planting the Seed

5. INTRODUCE

The Saviour Plant the Seed! (Builder)

- Do you understand the way to forgiveness and what it means?
- Have you ever considered the fact that when Jesus died on the cross he said, "Father forgive them for they know not what they are doing." (Luke 23:34) What kind of person do you think Jesus would have to be to say something like this?
- Would you like to make a connection with GOD?
- Can I take you to GOD's word in the book of Romans and introduce you to the Saviour?
- Would you like me to pray you?
- Would you like to have a point of contact for the future- that is if you have any questions or just want to talk about Christ or the Church?
- Would you like to know what Christ has to offer?
- Memorize: Rom 3:23, Rom 6:23; Rom 5:8; John 3 v 16;
